

LUCK HELD this time. A few years ago when a district Boy Scout camporee was held at Mokena there was a deluge that routed the boys and called for heroic rescue efforts by towns people. But last weekend when more than 400 Boy Scouts converged upon Mokena to participate in another camporee, this one a memorial to the late "Skip" Smith, Scout leader at Mokena, and it was a success. Weather predictions were bad but failed to materialize. The boys, however, did not camp at Mokena Community Park, as planned, but moved to Van Horn Woods. Here a hand lantern served as a "street" light.

"Don't Tamper With the Jury System," was his subject. (Behnke photo)

Operation Of Hut Is Now In Hands Of L-W Teens

The Hut -- opened last year at New Lenox for the Lincoln - Way Teen Club -- has been taken over by that organization.

The Hut was started and operated by Mrs. John B. Anderson, who holds the lease to the property on Cedar Rd. It is expected that the lease will be transferred in the fall.

The Teen group has elected officers, a board made up of members, and an adult board. The Teens have hired Charles Snook, a wrestling coach at Lincoln-Way High School, as supervisor for the club. They will pay him \$50 a month.

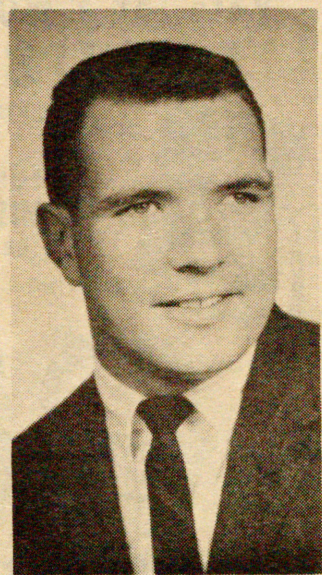

Serving food is considered too complicated -- it can be costly too -- but there will be soft drinks available and such items as ice cream bars and Popsicles.

The Teens plan to keep the Hut going thru dances and their experience in this field the past year has been successful.

The next dance is to be June 11 from 8 to 11 o'clock. The Troys, rated as one of the hottest combos in these parts, will provide the music. The dance is open to all high school students residing in the Lincoln-Way district and their guests. Members of the Hut group with cards will pay 50 cents to attend the dance; non-

members will pay 75 cents.

The Teen officers elected are: Bob Gast, Manhattan, president; James Handorf, New Lenox, vice president; Vicki Batson, Frankfort, secretary, and Dennis Eng-

CHARLES SNOOK

lert, New Lenox, treasurer. Those chosen to serve on the board, in addition to the officers, are: Jerry Tracer, Pat Lauffer, Russell Davies, Bruck Brown, Tom Lambrecht, John Smith, Jim Freddin, Gail Dunn, Lee In-Hout, Tim Vanderwall, Julie Anderson, John Anderson, Ann Chamberlin and Michele Dranchak.

The adult board is made up of: Lloyd Berlin, Doris Delaney, the Rev. James Harper, Russell Hearth, Harlow Jensen, John Oster, Donald Wenlund and Michael White.

A smiliar project operated by teens at LaGrange has been quite successful, it was reported.

Begin Play Program In Park Monday

The summer recreation program, an annual affair in the Mokena Park District, will get underway next Monday, June 13, under the direction of Miss Carol Lauffer.

Registration is scheduled for Monday and Tuesday, from 9 a.m. to noon. The program is planned for children of grade school age, 6 to 14 years, and there will be games, stunts and organized play.

There will be dodge ball, volley ball, softball, baseball, football, badminton, horseshoe pitching, beanbag pitching, miniature golf and soccer, according to the program.

The park will be devoted to this program daily, Monday thru Friday, from 9 a.m. to noon and from 1 to 4 p.m.

The program will close Aug. 5. It is financed by the Park district.

GETTING READY for Flea Market to be held at Marley Community Church June 18. Mrs. William Little (left) and Mrs. Loren Sass, who are in charge of arrangements are displaying a few of the many items that will be offered for sale. Anyone with a penchant for the bizarre in musical instruments should be interested in the one Mrs. Little is holding--a Violin-Uke it says on the label inside which also carries the original price of \$28.50. The strings are steel. The device Mrs. Sass is displaying is a fly trap. The old scale, the candlesticks, pitcher and washbowl, the skates and a couple of small bowls will be among the things to be sold. (Graphic Newspapers photo)

Disconnect Downspouts, Householders Are Warned

Smoke tests of Mokena's sewer mains have revealed numerous violations of village and state laws relative to use of sanitary sewers.

It is forbidden to use sanitary sewers to carry off storm or surface water so householders who have downspouts connected with the sewer lines are in violation, it was pointed out.

A preliminary report shows 40 such violators and there are other corrections that must be made, it was said. There are reported instances of drainage tile being connected with the sanitary sewer which the village may have to correct, it was said.

There is one case in which a house was razed and the property left vacant but the sewer stub was left unsealed. It is said that surface water found its way to this opening and so into the sewer main.

A complete report is being prepared by Village Engineer Ralph Yunker and the Hulett Company, which conducted the smoke tests. Trustee George Bills is having a form printed on which violations will be listed and sent to the offending householder, advising them to correct the situation to escape penalty. A fine of \$10 a day can be imposed under the terms of the ordinance, it was pointed out. After corrections are made the building inspector is to check them and report his findings to the village board.

Frankfort is having a similar situation to contend with but reports progress in getting violations eliminated.

The Mokena board is compiling data from other communities that are carrying on determined campaigns to remove buildings that are a hazzard from a safety or health standpoint. Frankfort and Orland Park are engaged in a similar pursuit, with Orland being successful in having several such structures razed.

Trustee Hans Mueller told the board that Trygg Paving

Absentee Ballots Ready

Mokena residents who will be out of town June 18 but want to vote in the school election of that date may do so thru absentee ballots. The final date one may vote by mail is June 13 but one may vote an absentee ballot in person by calling at the Willowcrest School office up to 4 p.m. June 15.

There are three proposals before the voters -- an increase in the educational tax rate from 86 cents to \$1.07 per \$100 equalized assessed valuation; a \$95,000 bond issue to defray cost of a six-room addition to the present Willowcrest School, and a \$54,000 bond issue to purchase 21.41 acres of land for future expansion of the school site.

The regular hours for the election June 18 will be from 12 noon to 7 p.m.

Co. should be ready to begin work on the rebuilding of Front St., between Wolf Rd. and the west village limits this month. The street is to have curbs and gutters and the county is meeting part of the cost. The repair of other streets could be delayed by installation of water mains, it was said. Village Engineer Yunker is scheduled to open bids on the repair program at 2 o'clock tomorrow (Friday) afternoon at the village hall. Most of the cost of street repairs is met out of the village's share of the motor fuel tax fund.

Orland Park Hills Planning Art Fair

BY

BEVERLY E. ANDERSON

An Art Fair at Orland Park Hills is planned for Sunday, June 26, from noon to dusk and how many exhibits there will be will depend upon the response of area talent.

There are many residents in the area who are artists, according to those planning the show, and they are invited to submit their names to the committee.

Those interested in exhibiting their own, original work asked to write Art Fair, Orland Park Hills Box 335, Orland Park, Ill.

Exhibiting artists will be requested to submit a \$1 entry fee with their entry blank

(obtained from Box 335) to defray the cost of the exhibit. All workers are volunteers, it was explained, but the expense is in buying the poster board for advertising and printing and mailing of flyers to the exhibitors.

Any resident of the area interested in assisting with the fair may communicate with Mrs. K. De Ross, Art Fair chairman.

This is to be a non-profit exhibit. Exhibitors must have their own display setups and be responsible for their own work, it was announced.

All art work is subject to approval of the Art Fair Committee.

Lack Of By-Pass On Maple Inconvenient

The heavy equipment workers, so necessary in construction -- especially road building--are back on the job again after a strike that lasted two months so work has been resumed on the I-80 projects in the area.

The strike, however, will delay completion of these jobs, which will mean that the public will be inconvenienced until well into next year, it was said.

Supervisor John E. Francis, of New Lenox, is endeavoring to persuade the state highway department to build a by-pass on Maple Rd., just east of Marley where an overpass is to be built to carry Maple over I-80. Residents of Arbury Hills and Rolling Heights, as well as persons in Mokena and other parts of the area who use Maple going to or coming from Joliet, now have to take the long way round.

Even more important, it was pointed out, there are many homes in the New Lenox Fire Protection District that cannot be reached except by a long, circuitous route because of the lack of a by-pass on Maple Rd.

Supervisor Francis said he had been informed that the state highway department was prepared to make arrangements with other fire departments to protect these homes, on the grounds that that would be cheaper than building a by-pass. So far, Francis said, there has been nothing put in writing and the state fire marshal's office is reported to be looking into the situation.

A by-pass is provided where a bridge is to be put in to carry Parker Rd. over I-80.

The state is purported to have purchased property in the vicinity of I-80 and U.S. 30 and according to reports there is a possibility that District 1 of the state highway department might be divided. Headquarters for the district are at Elgin. District 1 takes in the counties south of the Wisconsin line--with the exception of Cook which is District 10--including Boone, McHenry, Lake, DuPage, DeKalb, Will and Kendall. It is said that the staff at Elgin is swamped with the work that the territory demands.

MOTHER AND SON share spotlight this commencement season. The mother, Mrs. Lora M. Gilbert received a bachelor of science degree in elementary education at Olivett College, Kankakee. The son, Bradley E., was graduated from Lincoln-Way High School and will enroll at Olivett this summer as a freshman. Mrs. Gilbert teaches fifth grade and music at Arbury Hills School. She began working for her degree eight years ago at the Gary Branch of the University of Indiana. Her husband, Harry Gilbert, is an engineer with the Illinois Bell Telephone Co. at Joliet. They have a daughter, Elaine, who will be a sophomore at Lincoln-Way in September and a younger son, Thomas, who will be an eighth grade pupil in the Mokena public schools.

Need Teen Volunteers At Tinley Hospital

Teenagers may put their summer vacation days to good use by serving as volunteer workers at Tinley Park State Hospital.

Many of the volunteers who serve regularly during the year cannot serve during the summer months because their school-age children are at home. The need is great. The interest people in the community show in the patients is helpful in their recovery.

A daytime orientation program for persons interested in becoming volunteer workers is being held on Tuesday June 14 from 9:15 a.m. to 3 p.m. The second in the series will be held on June 17.

Interested teenagers over the age of 17 may call Mrs. Hazel Blumenthal at the Volunteer Services Office 532-8800 extension 400, for an interview before the orientation day. If transportation is a problem call Mrs. A. J. Bueltmann in Mokena, 479-5655 who may be able to make arrangements. Mrs.

Bueltmann is mental health chairman of the Mokena Woman's Club.

Older persons are also welcome to attend the orientation preparatory to becoming volunteer workers.

Farm Worker Is Victim Of Heart Failure

James A. Leadingham, 47, Rt. 1, Mazon (Grundy County) a farm worker, was fatally stricken with a heart attack Monday forenoon while operating a combine on a farm in the vicinity of 178th St. and Central Av., near Tinley Park.

He was taken to South Suburban Hospital at Hazel Crest in the Hickey-Vandenberg ambulance, where he was pronounced dead. A coroner's inquest is to be held.

The body was taken to the Fred C. Dames funeral home at Joliet.

June 25-26 To Be Big Weekend At Frankfort

The weekend of June 25-26 will be a busy one at Frankfort.

On Sunday, June 26, that village will be the scene of an air show, staged by the Civil Air Patrol, and a convention of the 2nd Division of the Illinois Department of the American Legion.

On Saturday, June 25, there is to be a big clam-bake at the Triple R Ranch. There is to be a rodeo and political powwow at which Richard Nixon, former Vice President, is scheduled to speak.

If these outlets are insufficient to drain off community energy there is also a church picnic to be held at Frankfort Community Park that Sunday afternoon.

The parade slated for 3:30 Sunday afternoon is to highlight the Legion meeting, as far as the public is concerned, and Capt. Ronald Malo, of the Park Forest Squadron, Civil Air Patrol, which is sponsoring the air show, said several planes would fly in formation over the parade.

The air show, which is to be staged at the Frankfort airport, Center Rd. and Sauk Trail, is to begin at 9 a.m.

and run to 4 o'clock in the afternoon. There will be aerobatic, skydiving, model flying, aircraft displays and the Civil Air Patrol will also be doing some recruiting on the side, it was indicated.

There will be an admission charge of \$1 for the air show, Capt. Malo told the Frankfort village board, and the proceeds used in aiding public projects carried on by patrol and especially in the cadet program for boys and girls between the ages of 13 and 18.

Pete Myers, aerobatic champion, is scheduled to perform at the Frankfort show. Malo said stunts will be performed in a special plane at under the 500-foot altitude level.

Some auxiliary police will be used by the village on June 26 to help handle traffic. Police Chief Ted Massey and Capt. Malo of the CAP, met with members of Bobzin-Swinford Post, American Legion, Monday night to make arrangements for the parade and parking.

It is expected that the attractions that weekend will attract thousands of visitors to Frankfort, officials said.

Couple Repeats Vows

On Sunday, May 29, Mr. and Mrs. Karl Scheel of 14958 Huntington Court, Orland Park, celebrated their 25th silver wedding anniversary. At 4:30 p.m. a church service was held at the Christ Evangelical Lutheran church of Orland Park with the Rev. Walter Ledogar, presiding. Karl and Harriet renewed their marriage vows before many relatives and friends.

Karl and Harriet were high school sweethearts from Chicago. They have one daughter, Madelynn, who is presently attending Southern Illinois university.

After the church services a reception was held at the American Legion Hall of Orland Park, where many of their friends gathered to help them celebrate.

At the present time Karl is employed by the American Insurance Ass'n. as a special agent in the fraud and arson department. Prior to this position, Karl spent 17 years with the Chicago Fire Dept. with its arson squad. Harriet divides her time with household chores and is employed by Cooper Furniture on a part-time basis.

Burros Seek Goods To Sell At Auction

The Mokena Midget football team has taken on the annual auction on Saturday, July 2 for the town celebration at the community park.

Plans have been made to accept calls from anyone who wishes to donate useful merchandise on a 50 - 50 basis, or if the donor wishes to give anything to the Burros for the auction, the gift will be auctioned.

The Burros will take care

of transporting white elephant merchandise. Donated merchandise will be kept in Krueger's garage and the week before the auction, the merchandise will be available for inspection. Call George Krueger at 479-9211.

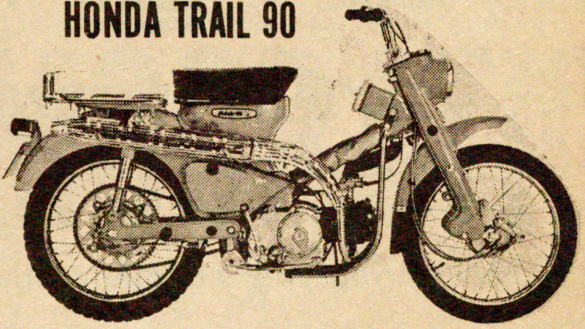

A committee is being organized to get donations. The Burros need everyone interested in helping. The Burros will also have a golf booth at the fair. Everyone can test their skill for prizes.

WED 25 YEARS -- Mr. and Mrs. Herman Lorenz, 19443 Martie Lane, Mokena, celebrated their Silver Wedding anniversary at a family dinner. The couple was married May 29, 1941 at Chicago by the Rev. John Leimer at Hope Lutheran Church. They have two sons, Raymond, a graduate of Joliet Junior College, and Kenneth, a student in the University of Illinois Medical School. Kenneth is married to Susan Blomquist, of New Lenox. (Anderson photo)

Social Security Big Business In County

Social security benefits,
totaling \$1,358,929, were
paid to 16,971 Will county
residents in 1965, it was an-
nounced by Harold White-
side, head of the social se-
curity district office at Jo-
liet.

This was an increase in
payments and a large part

of it resulted from changes
in the social security law
last year when Congress up-
ped the amounts to some
beneficiaries, it was ex-
plained.

The changes, in addition to
the medicare program which
will have its beginning July
1, includes a 7 per cent
increase in benefits for wid-
ows as early as age 60;
benefits for full-time stu-
dents between 18 and 22;
benefits for some divorced
women; benefits for some
people over 72 who had not
worked long enough to get
social security before, and
payment of disability bene-
fits to workers who were
unable to work because they
were disabled for 12 months
or more.

In addition to those getting
benefits because of the
changes, there were several
people in Will County who,
upon applying for medicare,
found they were eligible for
regular social security
benefits. One woman had
lost benefits since January,
1950.

Of the total receiving
benefits in Will County, 8,-
734 are retired workers,
626 are disabled, 2,356 are
wives and husbands, 2,298
are widows and widowers,
2,556 are children and 400
are mothers with children
under 18.

Civic Ass'n. Dance To Beautify Arbury

MRS. EDWARD HOVI Telephone: 479-5740 The Civic Association beautification dance is coming up in just over a week now, and your plans should be made soon. The date of the dance is Saturday, June 18, beginning around 9 p.m.

Tickets are being sold on a door-to-door basis, but, please don't feel slighted if you are not contacted. Tickets may also be purchased at the door the night of the dance at the cost of \$1.50 per person. The proceeds from this

dance will be used to further the efforts of the Civic Association in their beautification program here in Arbury Hills. At this writing the entrance lights are being installed by the Gas Company next to the new entrance signs, thanks to the Civic Association. It is a good cause and of use to all of us here, so lets all dig in our pockets a little.

With the Hilites providing the music and a congenial group of people, it promises to be a very good evening for all. Remember the day, June 18, and the place is the V.F.W. hall in Mokena.

The girls of Junior Girl Scout Troop #289 went on a bike hike to Mokena park on Wednesday, June 1. Accompanied by Mrs. Evelyn King and Mrs. Faye Erkmann on bikes, and Mrs. Dickerson in her car, the girls took the 191st street route towards the park. They had light refreshments there and returned to Arbury Hills.

With one backyard overnight campout under their

belts, the troop is planning a campout at Hawthorne Ridge from June 14 through 16. A full house is anticipated with the girl's enthusiasm running high.

Junior Girl Scout Troop had a scheduled overnight campout at Messenger Woods over last week end with Mrs. Alice Kilgore and Mrs. Darlene Gunty as adult supervisors. The tent for the campers was borrowed from the Charles Walles family on Willow Lane. Thanks a heap peoples!

The parents of this year's kindergarten class had a preview of what it feels like to see their darlings don a cap and gown, when the class graduated last Thursday evening in Tinley Park complete with the playing of Pomp and Circumstance. The graduation exercises were followed by refreshments served at the reception.

MILK—Often called "nature's most nearly perfect food," fluid whole milk contains all recognized vitamins and many essential minerals. Vital for good nutrition, it contains both the fat and solids-not-fat parts of milk. Homogenized milk has its fat globules dispersed throughout the liquid. Chocolate milk is whole milk with added sugar and chocolate.

BUTTER is churned cream. It contains, by law, not less than 80 percent milk fat. It may or may not contain salt. The butter of highest quality is made from sweet cream. Most butter sold at retail bears the USDA shield mark and letter grade, U.S. AA or A.

CHEESE is available in many forms, flavors and textures to suit every taste and occasion. Natural cheeses are usually made from whole cow's milk. Process cheese is made by blending and pasteurizing fresh and aged natural cheese.

ICE CREAM is made by freezing while stirring a pasteurized mixture of milk, cream, sugar, and stabilizer. It is flavored with extracts, fruit, chocolate, or nuts. Air is whipped into ice cream during freezing to increase its volume 80-100%.

"4-H Youth In Action", is the theme for the 1966 Illinois State 4-H Club week June 21-24 to be held at the University of Illinois.

Each club is eligible to send one delegate.

The New Lenox Hayshakers 4-H Club have selected John Chesnut Jr., to represent them this year. John has been County and State outstanding 4-H member and County and State Project honor member for three years. He is currently president of the club and serves on the Will County 4-H Federation, as a delegate.

The New Lenox Lions club and the New Lenox P.T.O. will jointly sponsor a free clinic for testing vision and hearing of children ages 3-1/2 to 6 years. The Will County Health Department will provide certified technicians to conduct the screening tests.

Parents who wish their children to participate must register them on June 14 from 9:30 to 11:30 a.m. and 1:00 to 3:30 p.m. at the Oakview school, 809 North Cedar road in New Lenox. It will not be necessary for the children to accompany the parents at the time of registration.

The vision and hearing tests will be given on June 21, 22, and 23, 1966. A set

of training cards and instructions for their use will be given to the parents when they register. These cards will teach the children to identify the symbols used in the test.

The vision screening program is geared to detect near-sightedness, amblyopia, and crossed eye. Amblyopia is a condition which may result in blindness in one eye. If the condition is not discovered and treated before the child is 6 years old, chances for recovery are poor.

From the hearing screening, it is possible to estimate whether the child hears with adequate loudness and clarity.

The sponsoring organizations urge all parents to take advantage of this clinic in behalf of their children. If you do not have a child at this age level, pass the information on to friends and neighbors who may have preschool age youngsters.

Fast Track Adds To Race Thrills At Stadium Oval

A fast track provided the excitement for the fans at Joliet Memorial Stadium last Saturday night as records continued to fall. With the warm weather of the past few days, the asphalt track at the Stadium is being 'seasoned' and is in ex-

cellent condition. So far, the '66 season has proven to be a 'record breaking' racing year. New records have been set for every event with the exception of the 8 lap heat event, held by Ray Elliott of Lockport, Ill.

John 'Pancho' Padilla, Joliet, not only won his second feature event of the season, he set a new 30 lap record of 8,23.50 while enroute to the finish line. Padilla had competition for the entire race with Jigger Sirois, Shelbyville, Ind., trying for his first feature win of the season. Sirois and Padilla kept the fans on their feet by one of the most thrilling races to date. The McDowell Volvos, with drivers Bob Hauck, Joliet and George Kladis, Chicago, finished 3rd and 4th, in that order. Gene Varing, Oak Lawn, who had been leading in driver's points for the championship, was out for the evening with car trouble.

Fast time was set by Hank Pens in the Koehler Chevy 11 - No. 38 race car.

Jigger Sirois set a new 6-lap trophy dash track record in Matt Schneider's Chevy 11, No. 67 car. The new record of 1,37.99 topped the old one of 1,38.17 set by Hank Pens last year.

Jolietan Jimmy McClean, a 1966 rookie driver won his first race when he carried the checkered flag in the 3rd heat event. Other heat winners were, Bob Tomlinson, Palos Park, Danny

Kladis, Chicago and Bill Kollman, Orland Park. A hoosier, Tom Ward of Lafayette, Ind., won the 15-lap Semi event.

Time trials for the weekly Saturday night show will be at 7:00 p.m. with the first race at 8:15. Children under 12 years of age are admitted free if accompanied by their parents. There is ample free parking on both spacious lots.

Deadline For Cutting Weeds Is June 20

June 20 has been set as the deadline for the cutting or spraying of Canada thistles and other noxious weeds to prevent them from going to seed.

The date was set by the Canada Thistle and Noxious Weed Committee of the Will County board of supervisors. Members of the committee are, Wayne Lehnert, Peotone, chairman Richard Nieland, Frankfort, and Clark Watkins, Manhattan.

They ask all land owners, home owners, tenants, highway departments, railroads or anyone responsible for weed control to cooperate in combatting this public nuisance.

After June 20 all complaints will be investigated, Lehnert said, and where these weeds have not been eliminated those responsible will be compelled to burn the seed sections of the plants.

She carried a cascade of white roses and freesia.

Maid of honor was Miss Joan Sorensen. She was attired in a madonna blue toe-touching empire gown fashioned with a deepscop neckline and tiny sleeves in chiffon over taffeta. A released sheath falling to near floor length with a float panel at the back. Her headpiece was madonna blue chiffon petals and loops with matching bustles of maline. She carried a french bouquet of mixed blue flowers.

Dressed identically with the maid of honor were bridesmaids Mrs. Daniel Wondrasek and Mrs. John L. Tarrant.

William Waldvogel served as best man. Ushers were John Charvat, brother of the groom, Edward Reiter, brother-in-law of the bride, James McCure II and William McCure, brothers of the bride.

A reception followed at Michael's Spot Caterers from 2 p.m. to 6 p.m. Assisting at cake and guest book were Miss Owen Mancini and Miss Mary Ellen Wilsterman.

For her daughters wedding, Mrs. McCure selected a pink dress of lace with an A-line skirt and a matching bow at waistline. She wore a pink floral headpiece. Mrs. Charvat was attired in a beige chiffon over taffeta dress with a matching lace bodice. She wore matching accessories with a beige petaled hat. Both mothers wore corsages of roses and carnations.

When the couple departed for a wedding trip to Denver, Colorado, the new Mrs. Charvat wore a navy blue matching dress and coat with black patent leather accessories.

Prenuptial parties were given by Miss Joan Sorensen, Mrs. John Tarrant, Mrs. Daniel Wondrasek, Mrs. James McCure II, and Mrs. Robert Techman.

The couple is now residing at 106 E. Francis road, New Lenox.

Library Petition To Get Hearing June 20

A hearing on the petition for a referendum to determine whether a district library is to be established in the Mokena area is to be held June 20 before Circuit Judge Michael Orenic at Joliet.

If the petition is found to be in order the court will order an election and fix the date. He will also designate a polling place.

It is likely that one of the schools will be used as a polling place and the election booths borrowed from the township.

If the library plan wins approval the court will name six trustees or directors to

administer the affairs of the library. Names submitted to the court are, Clarence Miller, Walter Welsch, Joseph Bernardin, George E. Sangmeister, Mrs. Fran Richards and Mrs. Amy Englehardt.

The proposed library district would coincide with the boundaries of the Mokena grade school district, with the exception of Rolling Heights, which is in New Lenox Township. New Lenox has a township library.

Frankfort voters approved a plan recently to establish a village library in that community.

McCure-Charvat Nuptial Vows Are Said At St. Jude

Miss Mary Kathryn McCure became the bride of Anthony C. Charvat April 23 at 12:00 noon in St. Jude's Catholic church, New Lenox.

Rev. Andre Schuldecker, O.F.M., officiated at the ceremony for the daughter of Mr. and Mrs. James J. McCure I, 176 Oakview drive, New Lenox and the

son of Mr. and Mrs. Anthony W. Charvat, 151 W. Wood street, New Lenox.

Vases of white daisies, mums, and carnations graced the altar.

Given in marriage by her father, the bride wore a toe-touching gown of organza veiling bridal taffeta with a bateau neckline and long

tapered sleeves. A detachable chapel length train flowed gracefully from waist height. A panel of pearl touched re-embroidered Alencon lace enhanced front of gown.

Her headpiece was a mantilla veil of pure silk English illusion edged in re-embroidered Alencon lace.

FARM PROSPERITY-In discussing the farm program, Rep. Paul Findley (R.-Ill.) said, "Perhaps the best indicator of farm prosperity is parity ratio-which relates prices received by farmers to prices they pay. Parity ratio, as reported by the U. S. Department of Agriculture in 1964 averaged 74, lowest since the depression 30's. Better livestock prices brought it up to a modest 77 last year. In 1960 it was 81.

PRIVATE POWER-In commenting on a bill to permit the Duke Power Co. to construct a dam across the Savannah River, Sen. Strom Thurmond (R.-S. C.) said, "The economic advantages of the States of South Carolina and Georgia, the local communities involved and to the nation as a whole which would result from this project are beyond compare. The initial capital expenditures for the proposed facility would be \$210 million... local, state and national governments will benefit from tax revenue in the amount of \$13.3 per year, according to the latest figures available."

The future nothing holds now
To wish for since you've gone
Its sun will e'er be dark and cold.
Till life's last day shall dawn
And you who made life happy
Shall be with us that day
To fold us in your arms once more
And kiss our pain away.
